BIG BROTHERS BIG SISTERS OF NORTH HURON

60% of our Agency's youth live in poverty and 40% are victims of abuse. As we guide them along the way and provide feedback to encourage the process of learning, these youth complete great tasks that they may not have been aware they were capable of accomplishing. The realization of their personal achievements leads to self-worth.

Thank you for making a difference.

THANK YOU

**A BIG Thank You to

Big Brothers Big Sisters

For 100 years, Big Brothers Big Sisters has been making a positive difference in the lives of our nation's youth by developing and implementing a wide range of mentoring programs.

Serving as role models, our mentors teach by example the importance of giving and giving back, of staying in school, and of having respect for family, peers, and community. Each time we pair a child with a mentor or introduce a group of students to an in-school program, we start something incredible – a life-changing relationship built on friendship, trust, and empowerment.

Witnessing the transformation of a child into a confident, concerned, and motivated young person is a remarkable thing. Ushering them into adulthood, seeing them grow into successful, responsible members of their community and society at large is even more satisfying. Proudly, it's something our staff, volunteers, and donors help bring about every day, and we're very grateful for their generosity and support.
